## **ORDER**

Pursuant to Rule 65(b) and (d) of the Federal Rules of Civil Procedure, upon consideration of Plaintiff's Complaint [Doc. 1], Plaintiff's Motion for Temporary Restraining Order and Preliminary Injunction [Doc. 5], Brief in Support of Motion for Temporary Restraining Order and Preliminary Injunction [Doc. 6], and the March 6, 2014 Declaration of Marc Schoenecker [Doc. 7], and in light of the Stipulation of the parties [Doc. 23], it is hereby ORDERED (a) that Plaintiff's Motion for Temporary Restraining Order is deemed withdrawn; and (b) that Plaintiff's Motion for Preliminary Injunction is GRANTED as follows:

Until further order of the Court, Defendants Sallie Fromm and Central Trust and Investment Company are hereby enjoined from dissipating, transferring, pledging, spending, disposing of, or encumbering any portion of the balance of Central Trust and Investment Company IRA Account No. XXXXXX3338 ("Central IRA"), which was originally funded with a February 1, 2014 \$126,244.30 rollover distribution from the GTE Midwest Incorporated Plan for Hourly-Paid Employees' Pensions (hereinafter, the "Pension Plan"), which is a component of the Verizon Pension Plan for Mid-Atlantic and South Associates, but it is acknowledged that the

balance has fluctuated, and notwithstanding this Order the balance will permissibly fluctuate,

based on investment gains and losses and any applicable fees charged in the ordinary course

related to the Central IRA. This Preliminary Injunction shall apply to Defendants Sallie Fromm

and Central Trust and Investment Company and their officers, agents, servants, employees,

attorneys, and other persons in active concert or participation with Defendants Sallie Fromm and

Central Trust and Investment Company.

This Preliminary Injunction is entered solely for the purpose of preserving the balance of

the Central IRA until the Court vacates this Order or the Action is resolved. This Order, the

associated pleadings and evidence, the fact of the Preliminary Injunction, and the Defendants'

conduct in stipulating to the Preliminary Injunction shall not be admissible in evidence or

otherwise considered by the Court in determining Defendants' liability or the remedies to which

Plaintiff is entitled. Otherwise, the Court enters this Order without prejudice to, or any effect on,

Defendants' rights ultimately to contest liability or the remedies sought by Plaintiff.

In accordance with the foregoing, the Plaintiff's Motion for Temporary Restraining Order

is deemed withdrawn and the Motion for Preliminary Injunction [Doc. 5] is GRANTED.
